Help Prevent the Spread of Illness

With it being cold and flu season, and because people tend to stay inside during this time of year, the spreading of germs becomes more common. Please help us prevent the spreading of germs and illness by keeping your child home if (s)he is ill. As a general rule, keep your child home if (s)he has a fever, nausea, bad pain, persistent coughing, or vomiting/ diarrhea. **For the health of your child and others at school, please follow the 24+ hour rule!** Only send your child back to school when (s)he is fever free (without meds) for a minimum of 24 hours, has been on antibiotics for a minimum of 24 hours, hasn't thrown up etc. for a minimum of 24 hours, etc. Thank you for your cooperation in this matter.

Spirit Week!

SVLS will have its Spirit Week next week, February 3-7, as a lead-up to the B-Team tournament hosted by SVLS (side note - please sign up to help for this Friday's game as well as for the tournament if you haven't yet and you are able! <https://signup.com/go/AGJQOuG>). Our Spirit Week days are as follows:

- Monday - Pajama Day - Wear pajamas to school (please leave pillows and blankets at home)
- Tuesday - Character Day - Dress like a book, movie, or TV show character
- Wednesday - Crazy Mismatch Day - Wear outrageous clothes/outfits that don't match

- Thursday - Fake an Injury Day - Convince us that you're injured while not actually being injured
- Friday - School Spirit Day - Wear school colors and school swag to cheer on the Rams!

During Spirit Week, school dress code, while relaxed to an extent, is still in effect. Costumes and outfits for Spirit Week should still be modest and appropriate. Clothing choices for Spirit Week should still reflect our Christian culture and principles.
