FOR THOSE TIMES WHEN YOUR CHILD WILL NOT BE RIDING THE BUS - Parents be sure to communicate to your child's teacher when your child is not riding the bus. This should be in written form.

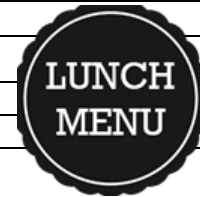

SCHOOL PICTURE DAY - Thursday, Sept. 7th. Order forms were sent home with your child(ren) last week. Please have your child bring the picture order form to school with them on the 7th. Even if you are not ordering any prints, they will get their picture taken to be included in the yearbook. A retake day will be scheduled in October for those children that are not here on Thursday.

OUR NEW TEACHER – Hi! My name is Greta Backus and I have been called to teach third and fourth grade in the afternoon at Shepherd of the Valley Lutheran School. I grew up in Fond du Lac, WI, and graduated from Winnebago Lutheran Academy. Following my graduation from Martin Luther College, I was assigned to be a dormitory supervisor and teach English at Luther Preparatory School in Watertown, WI, for two years. After that, I was assigned to teach second grade at Divine Savior Academy in Doral, FL. While teaching in FL, I accepted a call to teach English back at LPS. It was during my time there that I married my husband, Rev. Dave Backus, who was also teaching at LPS. In May of 2012, my husband was assigned to be a pastor out in Springville, NY. I worked at an early childhood center during our time in NY. This past February, we moved back to WI after my husband accepted a call to be an associate pastor at Eternal Love in Appleton. We are having fun living close to family and exploring the area.

When I'm not teaching, I enjoy a good cup of coffee, reading, spending time with family and friends, and traveling. I am very excited to be working with everyone at SVLS and am enjoying sharing the love of Jesus each day with the students. I am looking forward to a great year!

SCRIP -The Weekly Scrip Order form has been updated. The form can be found on the school website - under "Forms & Documents" or "Resources->Scrip". Notice that retailers that offer ScripNow! or Reload are notated with an "!". This is an easy way to order scrip when you need it. An online account for www.shopwithscrip.com is needed to use ScripNow! or Reload. If you order scrip cards online, please notice there was a change to our Festival Foods scrip cards. When you order, you need to order the "Skogen's Festival Foods (WI)" cards. They now come in \$25, \$50 and \$100 denominations.
