THE PARTNERSHIP POST

Scrip/Gift Card Orders

There will be no orders processed next week because of the short school week.

Weekly ordering for physical gift cards will resume on Monday, Nov. 2nd.

1st Semester Mission Offerings

We have chosen to support the WELS Prison Ministry with our school's first semester chapel mission offerings. WELS Prison Ministry is a special ministry of WELS which seeks to build relationships and share Jesus with individuals who are incarcerated and in prison. So far this semester, SVLS has collected \$375.00 for WELS Prison Ministry.

Cooler Weather Clothing

The weather is starting to get cooler and cooler, with predicted high temperatures only in the 40s later this week. Please be sure that you're checking the weather forecast for the day and make sure your children have appropriate outdoor clothing along for recess and phy ed. We will go outside for recess and most phy ed classes until the temperature drops below around 10°F or so, or if it is too rainy and wet to go outside. This hasn't been an issue at all this year, so this is simply a proactive communication. Thank you for your cooperation with this!

Lunch Utensils - please bring from home

If your child has lunch which would require eating utensils (fork or spoon), they should bring their own forks, spoons, etc. from home in their lunch. We are not currently staffed to be able to take care of reusable silverware, and providing plastic silverware for everyone on a regular basis would create more waste than we're comfortable with, so we will not be doing that. So please send silverware with your child if they need it to eat their lunch from home. Thank you!

School Board Meeting Highlights

The SVLS School Board met last Tuesday, October 14, for the monthly business meeting. Highlights of that meeting follow:
 + Our mid-quarter parent-teacher conferences went well, and we plan to keep the first conferences at mid-quarter instead of at the end of 1st Quarter.
 + Our WELSSA accreditation site visit is scheduled for November 16-18. We are putting the finishing touches on our self-study and are looking forward to welcoming the site visit team in just under a month.
 + Our enrollment policy was revised to include WPCP Enrollments, and this revision was approved. The revised Enrollment Policy can be found linked.
