Apple Valley Food Drive

Our annual collection for the Apple Valley Food Pantry starts Monday. If you are able, please help support fellow church families in the Fox Valley by donating non-perishable, unexpired food. The food pantry has indicated a need for potato sides and rice, but any item is helpful. There will be a prize for all students if 500 items are collected. The week of Thanksgiving, they will be able to enjoy a PJ/sweatpants day! Add a few items to your grocery list and send them to school with your child this week.

If you are able, please plan on attending our meeting Wednesday, Nov. 4th at 6:30pm.

Thank you and God bless everyone this week. CPTA

Cooler Weather Clothing

The weather is starting to get cooler and cooler, with freezing temperatures and snowfall possible. Please be sure that you're checking the weather forecast for the day and make sure your children have appropriate outdoor clothing along for recess and phy ed. We will go outside for recess and most phy ed classes until the temperature drops below around 10°F or so, or if it is too rainy and wet to go outside. Thank you for your cooperation with this!

Lunch Utensils - please bring from home

If your child has lunch which would require eating utensils (fork or spoon), they should bring their own forks, spoons, etc. from home in their lunch. We are not currently staffed to be able to take care of reusable silverware, and providing plastic silverware for everyone on a regular basis would create more waste than we're comfortable with, so we will not be doing that. So please send silverware with your child if they need it to eat their lunch from home. Thank you!

1st Semester Mission Offerings

We have chosen to support the WELS Prison Ministry with our school's first semester chapel mission offerings. WELS Prison Ministry is a special ministry of WELS which seeks to build relationships and share Jesus with individuals who are incarcerated and in prison. So far this semester, SVLS has collected \$403.00 for WELS Prison Ministry.
