Scrip Program

What is SCRIP? How does it work?

Scrip is just another term for gift cards. Scrip fundraising is an easy program that allows families to raise money for SVLS by using gift cards, or scrip, to pay for everyday purchases.

Families purchase gift cards at face value from the scrip program. The scrip program purchases gift cards at a discounted rate (varies from retailer to retailer) from local sources and Great Lakes Scrip Center. The amount of the discounted rate becomes your rebate. The rebate is split between the family and SVLS. The first 60% of the rebate goes to families to apply to their tuition or to another family's tuition of their choice. This portion can also be saved from year to year. The remaining 40% of the rebate is for Scrip program administration and for SVLS and tuition assistance.

The program has been running at SVLS since 2010.

When are orders processed? When are the rebates distributed?

The Scrip program year runs from July 1 to June 30. Rebates are processed in July and applied to your tuition bill in August.

During the school year, the scrip program is run on a weekly basis.

Orders will be placed on Monday mornings at 9 am and items will be available for pick-up on Thursday after school at SVLS or Sunday at church.

What do you need to do?

Fill out an agreement form. This form only needs to be filled out once and will be kept on file from year to year.

Start ordering scrip! Fill out a paper form (found online – www.slvs.us/forms - click on “scrip order form”) and submit with check or cash. This form can be dropped off in scrip boxes at Mt. Calvary and Bethel on Sunday mornings. You may also send the order to school with your child Monday morning.

There is also an option to submit your order online.
