## Gift Card (Scrip) Program

### ***What is scrip? How does it work?***

Shepherd of the Valley uses ShopWithScrip gift cards to turn everyday shopping into earnings. Families purchase gift cards at face value. The SVLS Gift Card Program purchases gift cards at a discounted rate (varies from retailer to retailer) from local sources and ShopWithScrip. The amount of the discounted rate becomes the family's earnings. The earning is split between the family and SVLS. The first 60% of the earning goes to families to apply to their tuition. The remaining 40% of the earning is for Gift Card (Scrip) Program administration and for SVLS.

The program has been running at SVLS since 2010.

### ***When are orders processed? When are the earnings distributed?***

The Gift Card (Scrip) Program year runs from June 1 to May 31. Earnings are processed in June and applied to your tuition bill in August.

During the school year, the gift card (scrip) program is run on a weekly basis.

Orders will be placed on Monday mornings at 9 am and cards will be available for pick-up on Thursday after school at SVLS or Sunday at church.
